To Promote

Integrity
Objectivity
Ethical values

In Pursuit of Science

Challenges

Blatant misdemeanours
What works

Membership

Inquiring into alleged misconduct

Sensitization of scientists
Persistence of Members to enquire

1. Into cases of misconduct in a 3 step manner
2. Informing Heads of Institutions where perpetrators work
3. Posting of cases on the website

Exerts moral pressure & whistle blowing
SSV

Sensitization of scientists

Organizing symposia

Society’s Website

Newsletter

Case Modules for UGC
